***"The best vodka I have
tasted for some time."***

According to Sean Wood:

"Distilled in a very small alambic charentais (a traditional French pot still), this sophisticated spirit has an amazingly fragrant, elusively floral and spirity nose. Very light, oily smoothness on the palate with surprisingly full flavour and no sense of rawness, yet a pleasantly warming touch of alcohol on the finish. The best vodka I have tasted for some time."
